## **Skilled Nursing Services and Nurse Delegation**

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

When deemed appropriate by the provider, the AFH may contract with an RN delegator for nurse

delegation, and resident assassments. The costs associated with nurse delegation and assessments are the responsibility of client. When deemed appropriate by the provider, the AFH may provide care to more clinically complex client that might require services like wound care, end of life care or diabetis management. The home has the ability to provide the following skilled nursing services by delegation: When deemed appropriate by the provider, the AFH may have delegation services put into place to include medication assistance and/or administrations of various medications. The cost of these services would be the responsibility of the client. ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION The provider will ensure there is appropiate staffing in the home. **Specialty Care Designations** We have completed DSHS approved training for the following specialty care designations: Developmental disabilities □ Dementia ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS When deemed appropriate by the provider, the AFH may provide special care and attention to clients with a diagnosis related to dementia. **Staffing** The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040) The provider lives in the home. A resident manager lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home. assist with specific requests surrounding ethnic requests.		
ADDITIONAL COMMENTS REGARDING CULTURAL OR LANGUAGE ACCESS		
Medicaid		
The home must fully disclose the home's policy on accepting Medicaid payments. The policy must clearly state the circumstances under which the home provides care for Medicaid eligible residents and for residents who become eligible for Medicaid after admission. (WAC 388-76-10522)		
☐ The home is a private pay facility and does not accept Medicaid payments.		
☐ The home will accept Medicaid payments under the following conditions:		
AFH accepts Medicaid clients if we can meet their care needs. A 24 month period of prior private pay		
is required. A 200 day written notice is required before the family starts the process of conversion		
from private pay to Medicaid .		
ADDITIONAL COMMENTS REGARDING MEDICAID		
Activities		
The home must provide each resident with a list of activities customarily available in the home or arranged for by the home (WAC 388-76-10530).		

The home provides the following:

The provider will offer appropiate activities and consider client's preferences.

ADDITIONAL COMMENTS REGARDING ACTIVITIES

When deemed appropriate by the provider, the AFH may try to provide activities that would match with what a client has loved doing in the past. During my caregiving years I have learned that each of us needs a purpose, no matter how big or small, that provides motivation and inspiration for our lives.
